In 2021 Council invited feedback from the community on improvements to Lawson Street Reserve, Sunbury. Thank you to everyone who shared their ideas. The following improvements are proposed:

The following improvements are proposed with consideration to community feedback:

- New play equipment including a multi-age combination unit, swing set, two seat rocker and a mini car
- Improved paths and connections across the reserve
- New park bench seat, picnic setting and shelter
- Improved landscaping

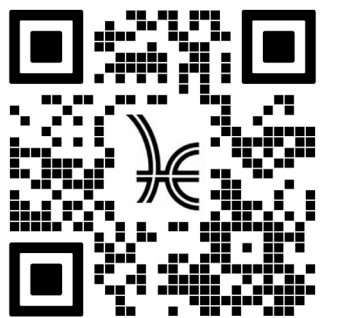

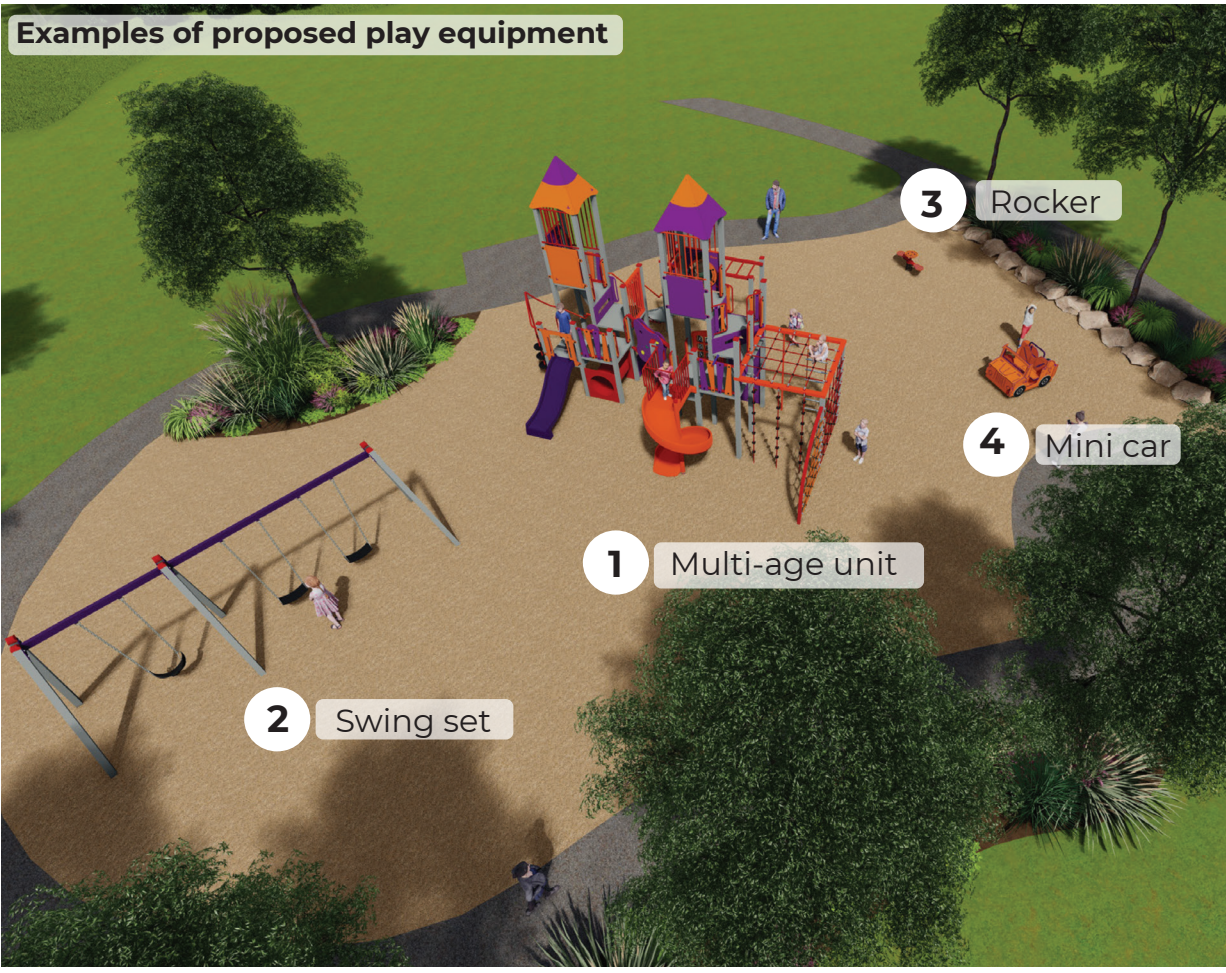

It is anticipated works will be undertaken in mid 2023.
