DRAFT DOGS IN OPEN SPACE PLAN

Appendix B

SPATIAL ANALYSIS BY PRECINCT

HUME CITY COUNCIL

‘This page has been deliberately left blank’

Spatial Analysis by Precinct

The analysis below utilises a precinct based approach: the 13 precincts align with the Hume's Open Space Strategy and Community Infrastructure Planning Framework.

1. Sunbury Rural

2. Lancefield Road

3. Sunbury Central

4. Redstone Hill

5. Rural

6. Greenvale

7. Valley

8. Broadmeadows

9. Roxburgh Park

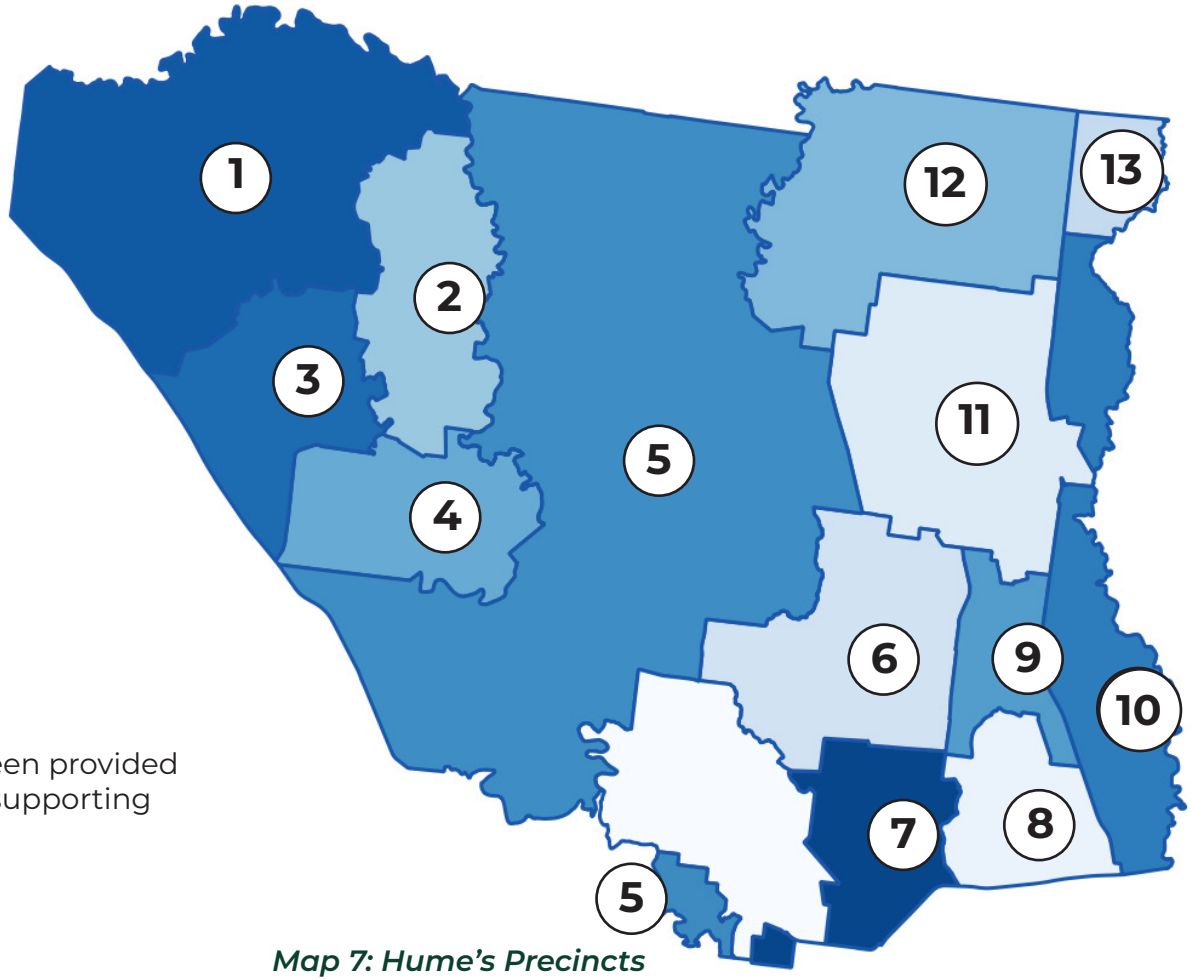

10. Somerton

11. Craigieburn

12. Mickleham

13. Kalkallo

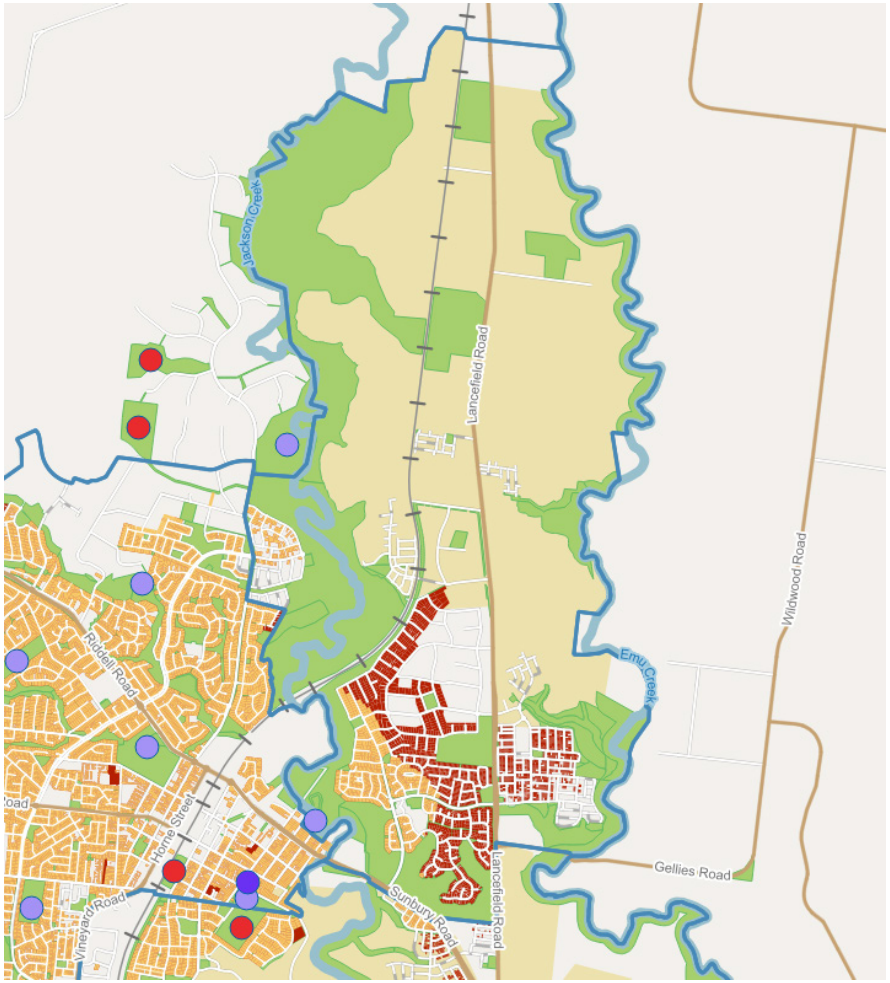

Mapping for the rural precincts 1 and 5 have not been provided as off-leash exercise opportunities are focused on supporting residential properties under 4000m².

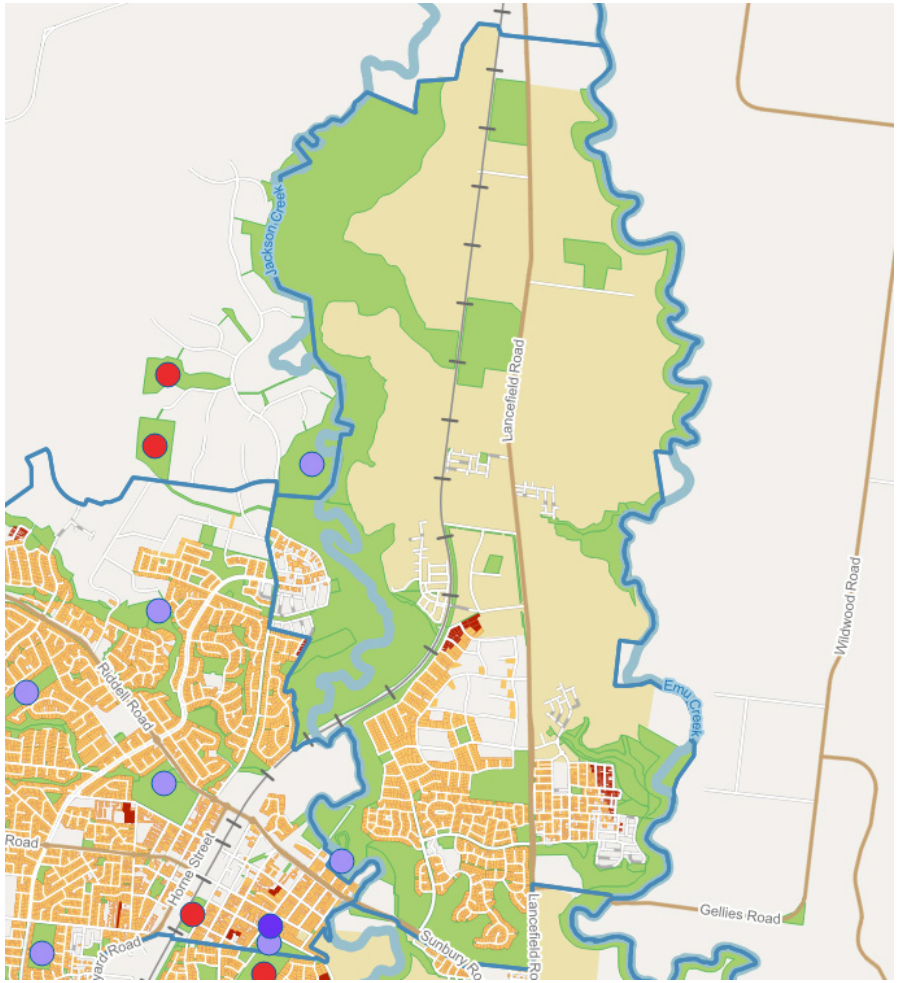

Map 7: Hume's Precincts

Spatial Analysis by Precinct

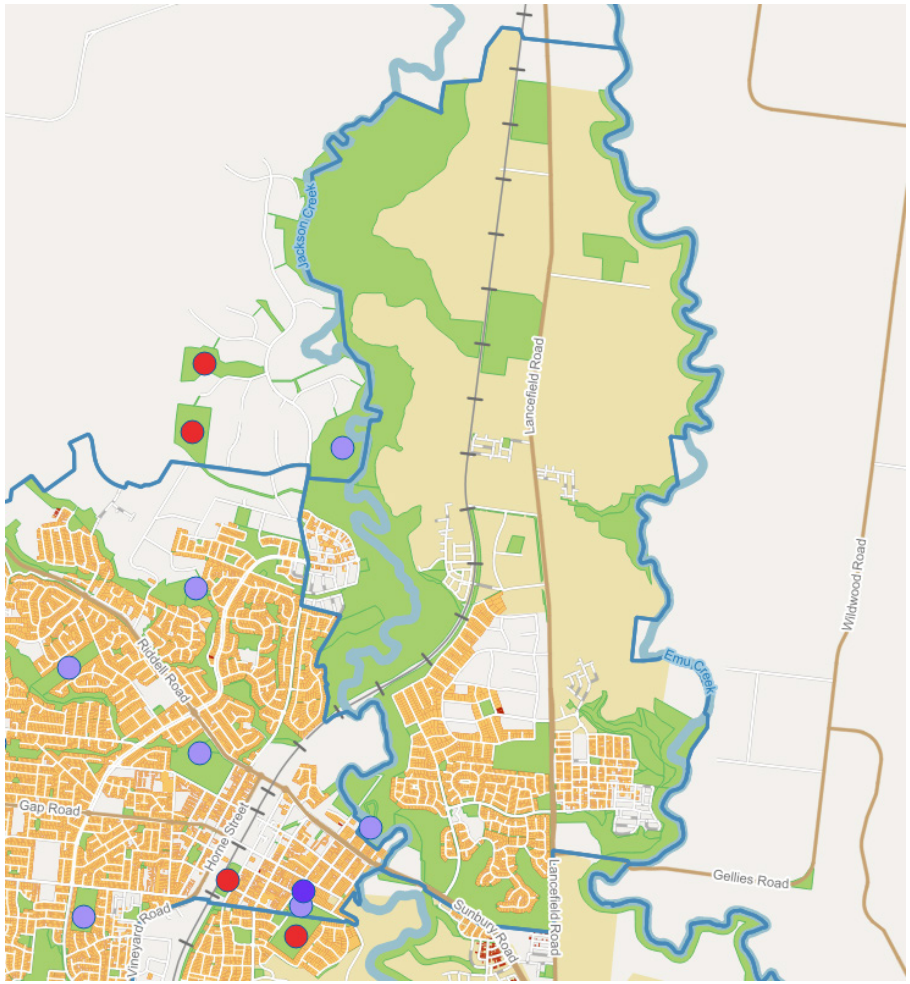

Precinct 2: Lancefield Road

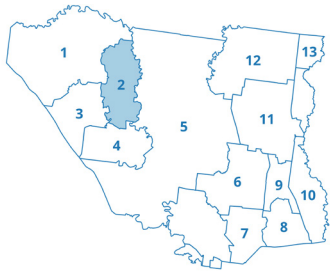

Map 8: Provision of fenced or unfenced off-leash areas within 1.5km walking distance

Map 9: Provision of fenced off-leash areas within 10 minutes' drive

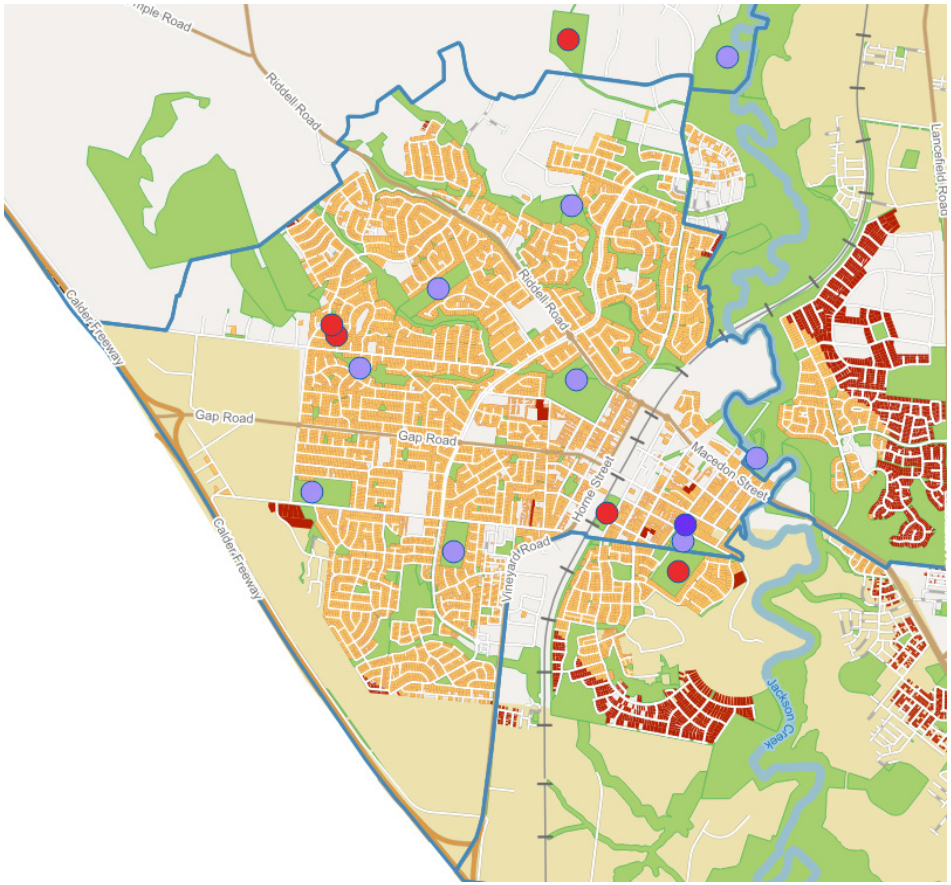

Legend

- Public Open Space
- Off-leash Area
- Fenced Off-leash Area
- Existing Dog Prohibited Area
- Residential areas well serviced for OLAs/FOLAs
- Residential areas beyond the target distance for OLAs/FOLAs
- Future urban growth areas

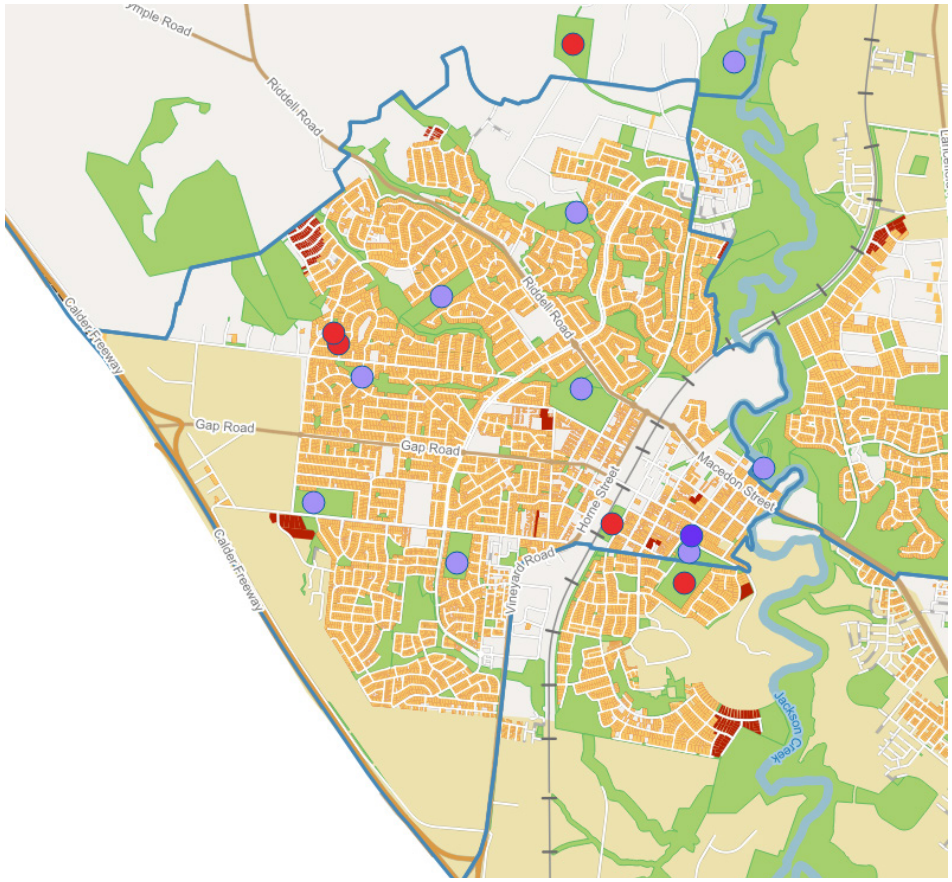

Map 10: Proposed provision of off-leash areas within 1.5km walking distance

Spatial Analysis by Precinct

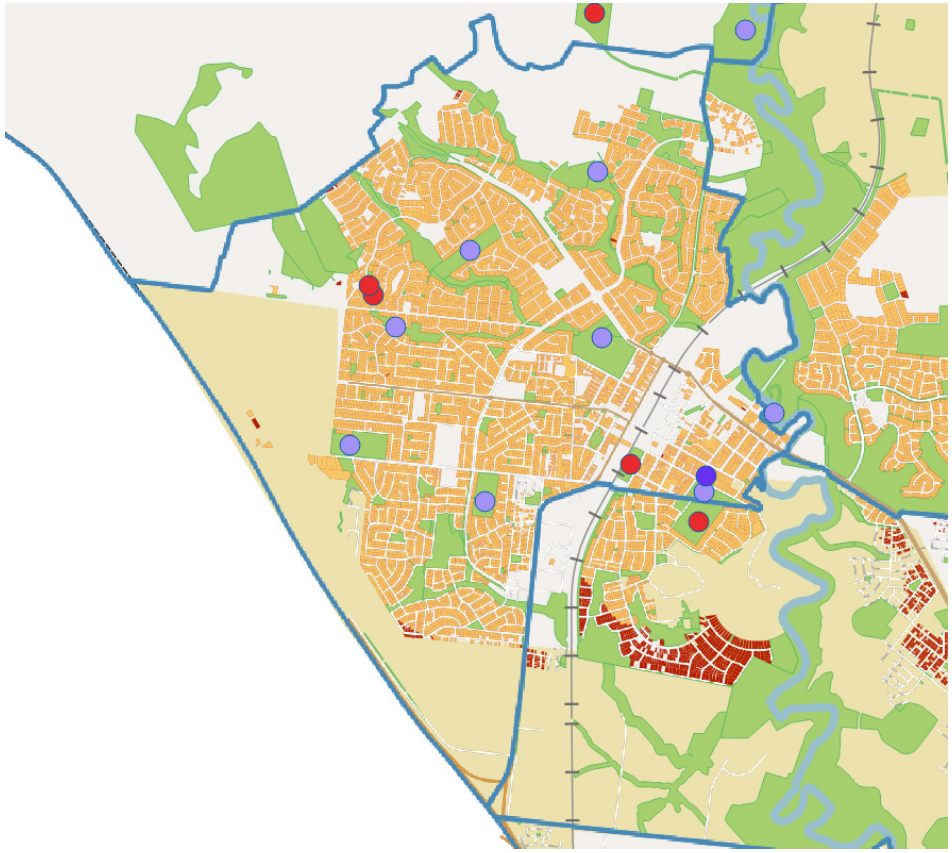

Precinct 3: Sunbury Central

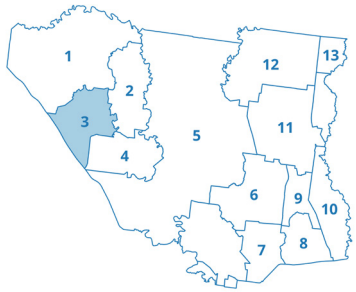

Map 11: Provision of fenced or unfenced off-leash areas within 1.5km walking distance

Map 12: Provision of fenced off-leash areas within 10 minutes' drive

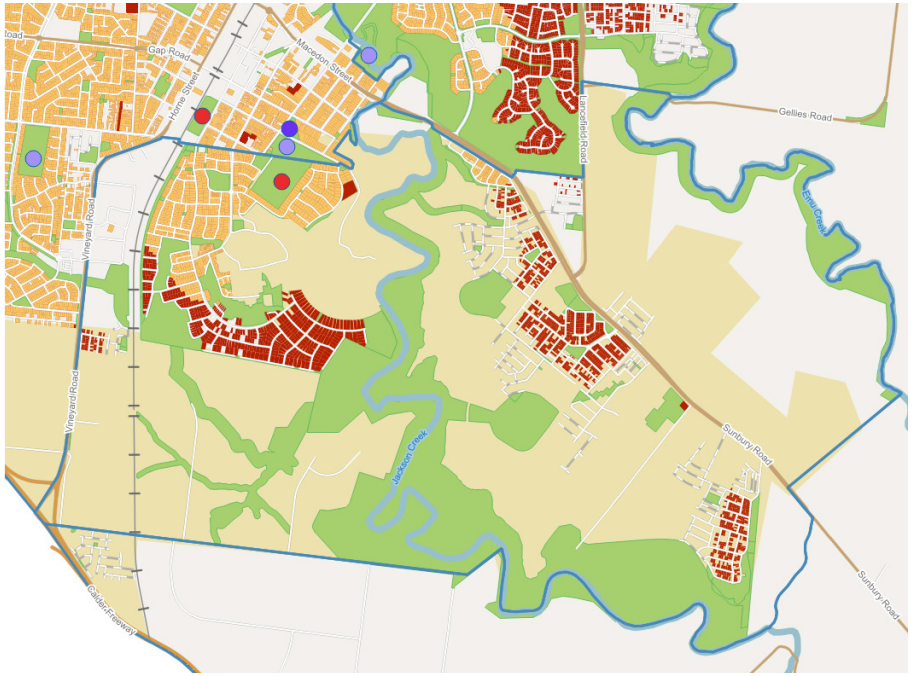

Legend

- Public Open Space
- Off-leash Area
- Fenced Off-leash Area
- Existing Dog Prohibited Area
- Residential areas well serviced for OLAs/FOLAs
- Residential areas beyond the target distance for OLAs/FOLAs
- Future urban growth areas

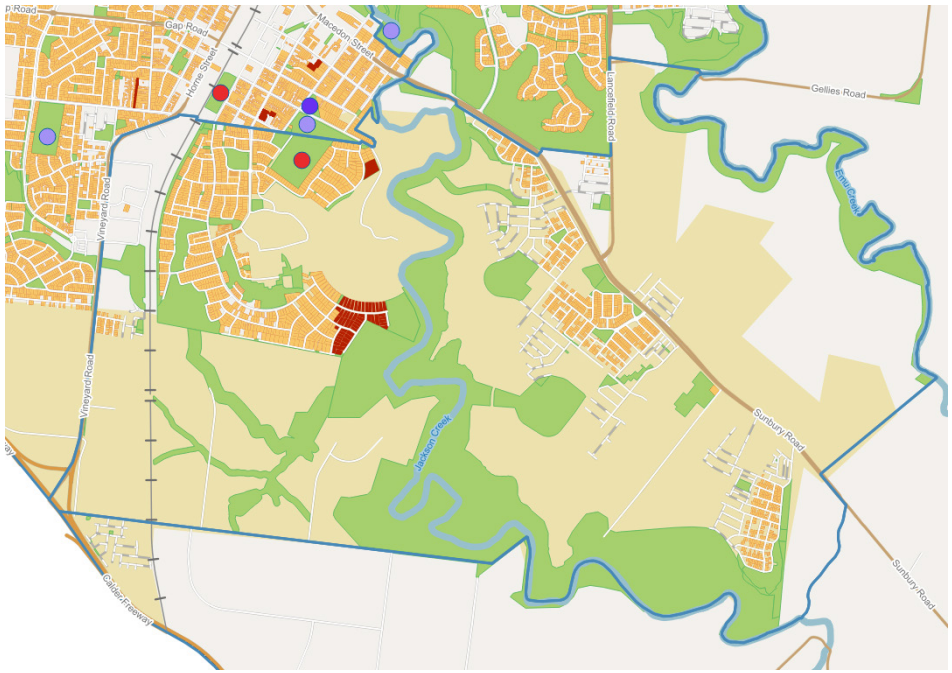

Map 13: Proposed provision of off-leash areas within 1.5km walking distance

Spatial Analysis by Precinct

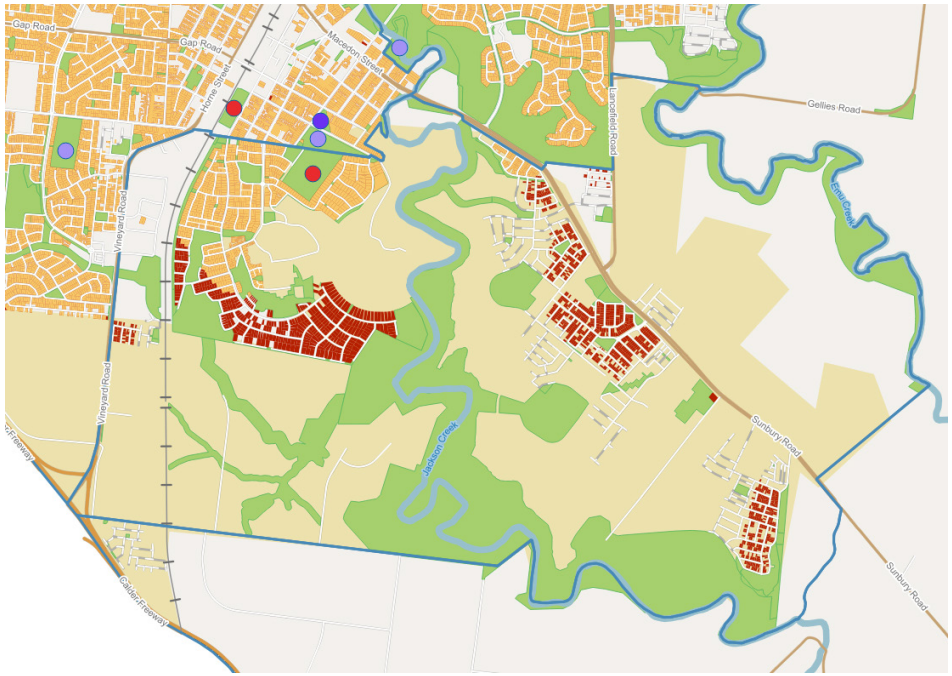

Precinct 4: Redstone Hill

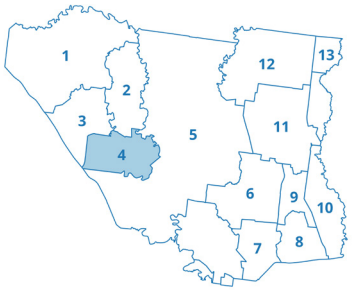

Map 14: Provision of fenced or unfenced off-leash areas within 1.5km walking distance

Map 15: Provision of fenced off-leash areas within 10 minutes' drive

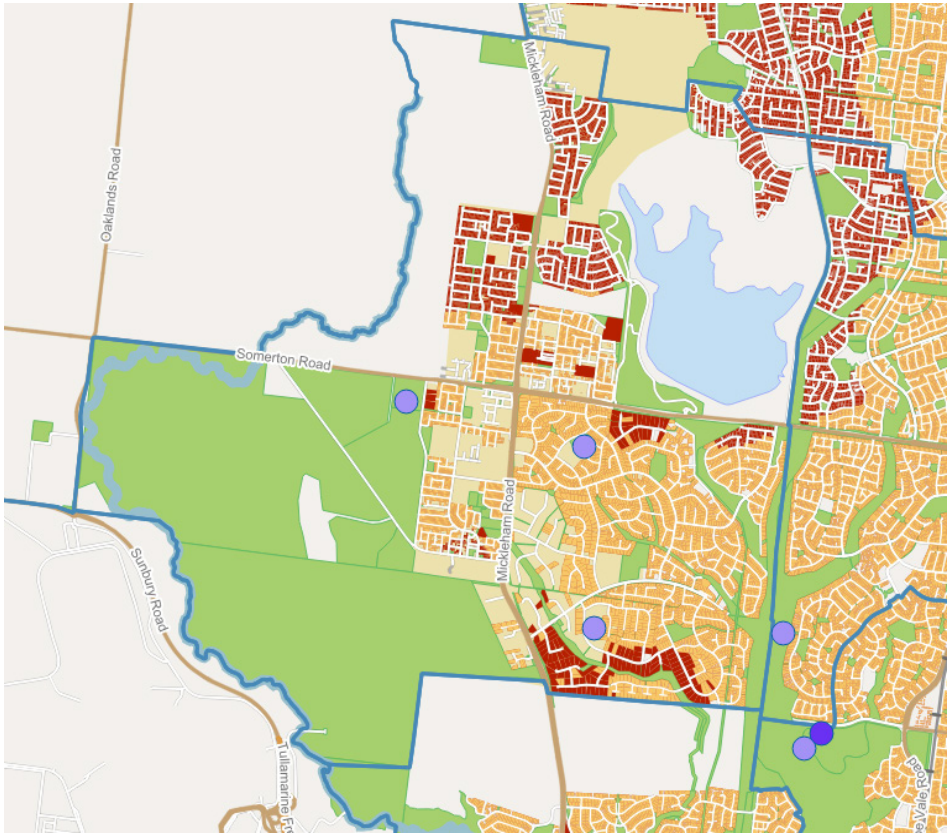

Legend

- Public Open Space
- Off-leash Area
- Fenced Off-leash Area
- Existing Dog Prohibited Area
- Residential areas well serviced for OLAs/FOLAs
- Residential areas beyond the target distance for OLAs/FOLAs
- Future urban growth areas

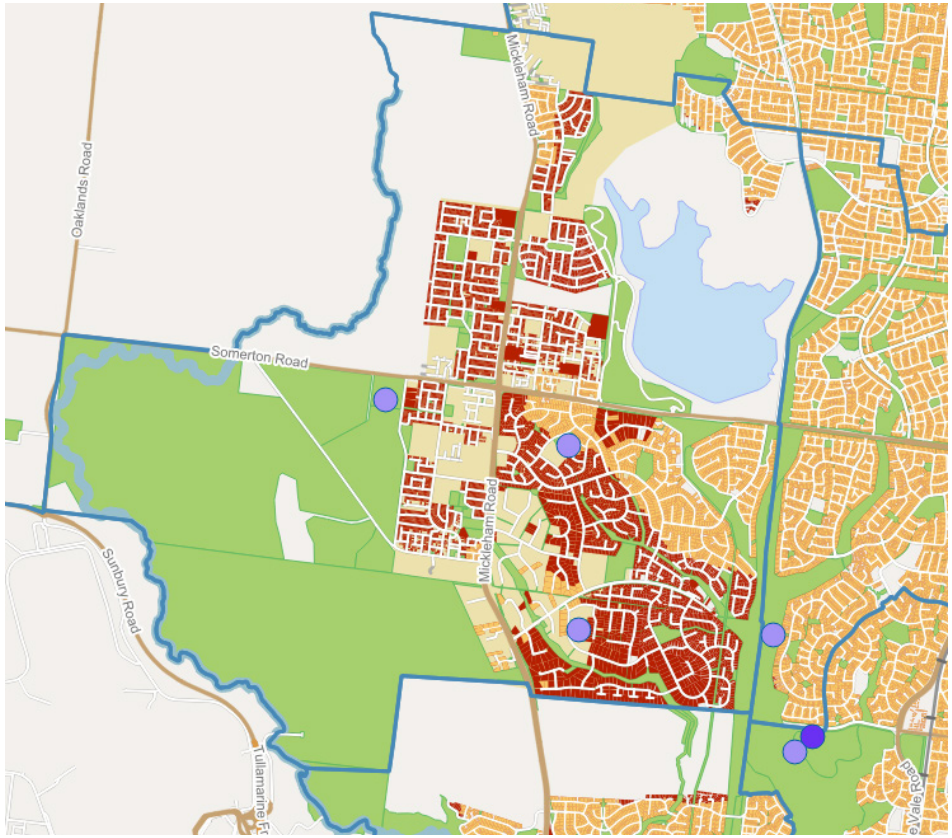

Map 16: Proposed provision of off-leash areas within 1.5km walking distance

Spatial Analysis by Precinct

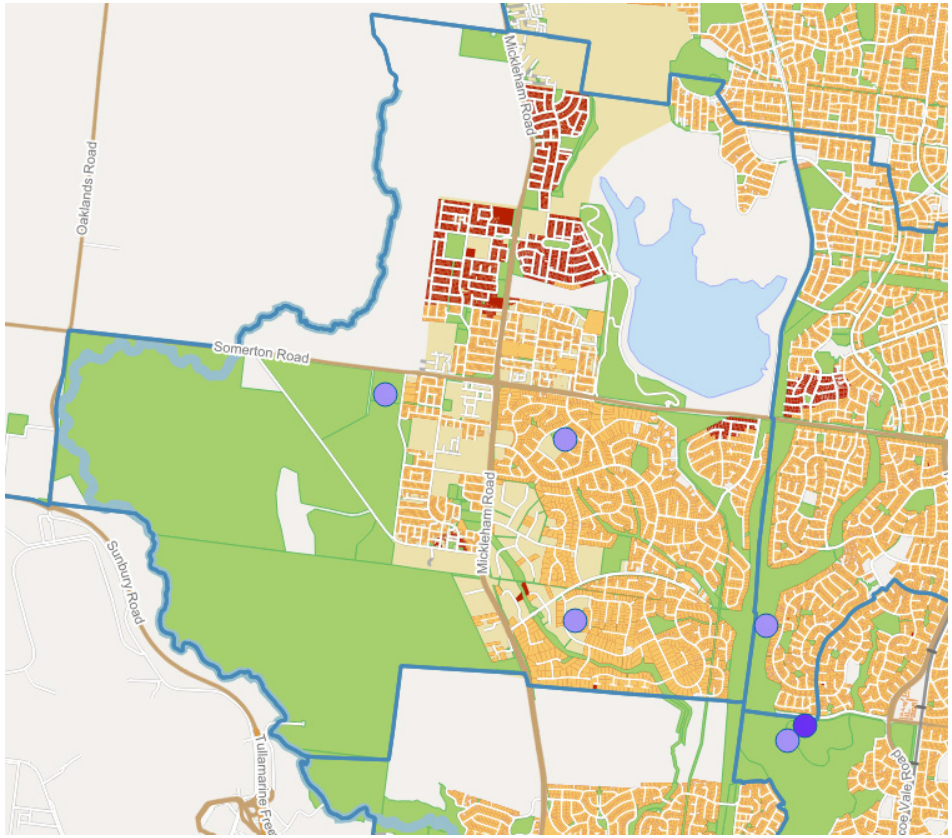

Precinct 6: Greenvale

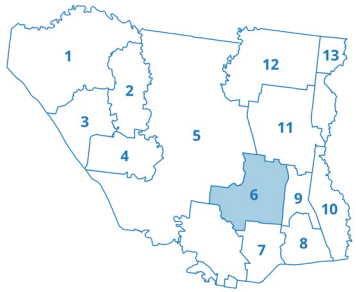

Map 17: Provision of fenced or unfenced off-leash areas within 1.5km walking distance

Map 18: Provision of fenced off-leash areas within 10 minutes' drive

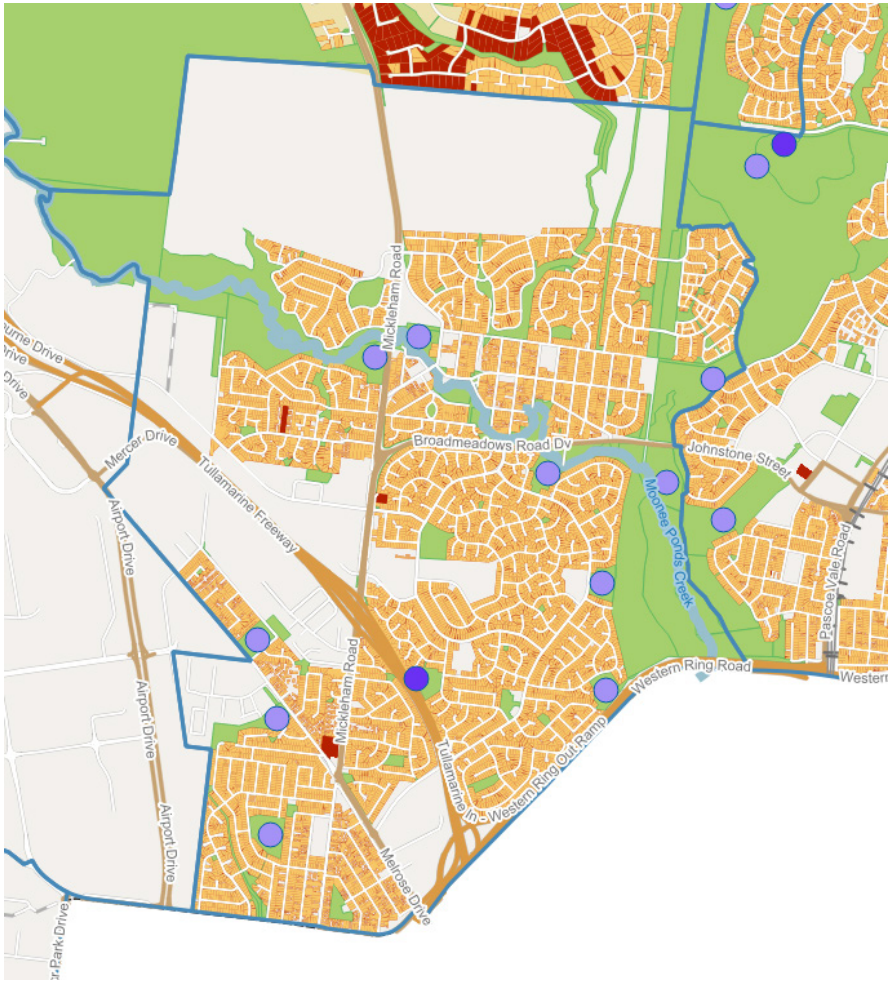

Legend

- Public Open Space
- Off-leash Area
- Fenced Off-leash Area
- Existing Dog Prohibited Area
- Residential areas well serviced for OLAs/FOLAs
- Residential areas beyond the target distance for OLAs/FOLAs
- Future urban growth areas

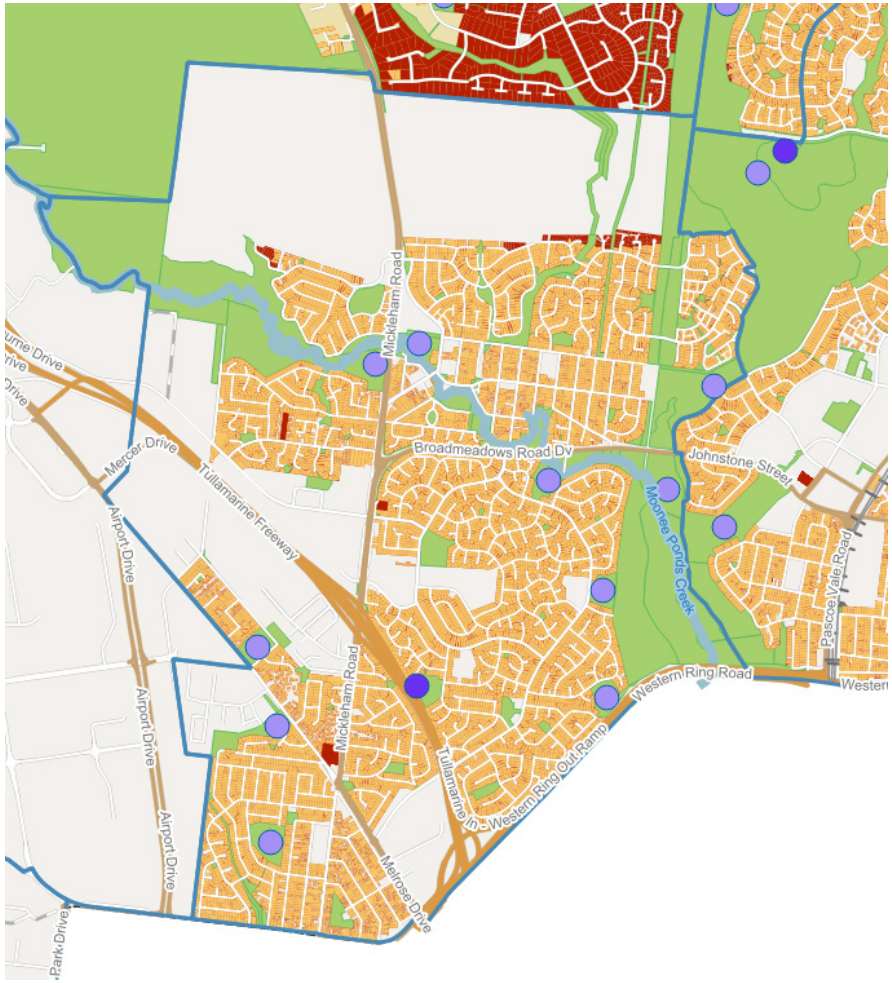

Map 19: Proposed provision of off-leash areas within 1.5km walking distance

Spatial Analysis by Precinct

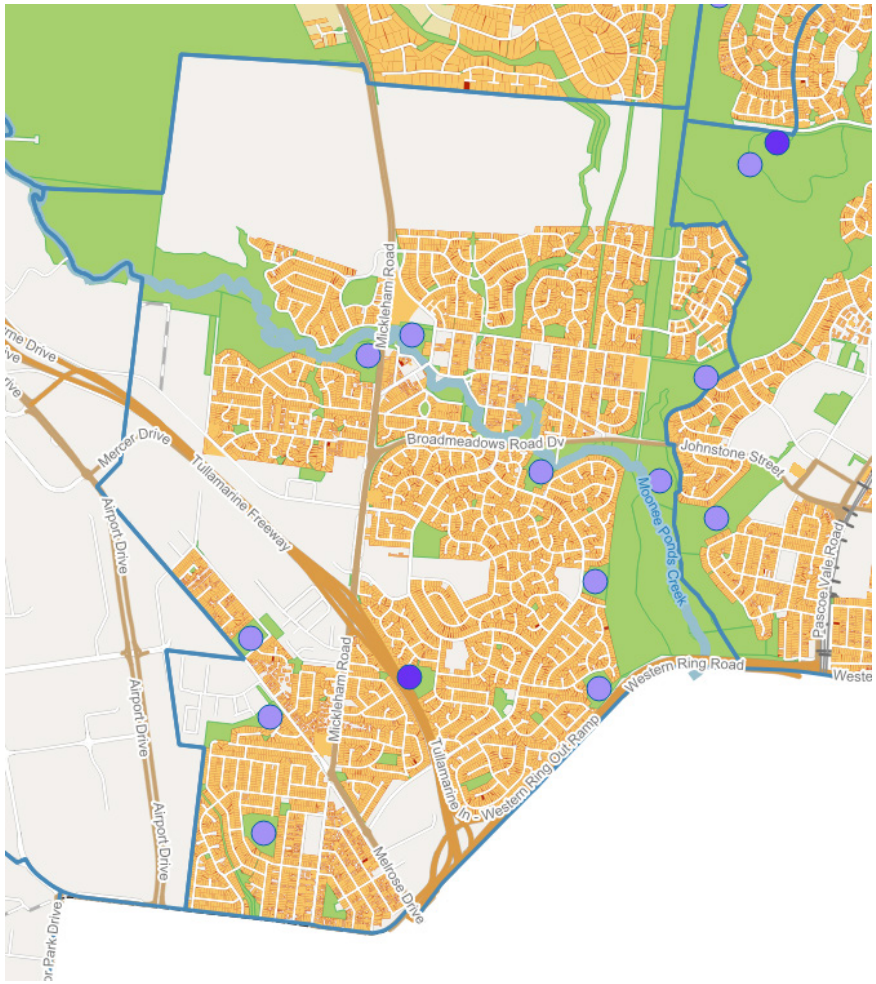

Precinct 7: Valley

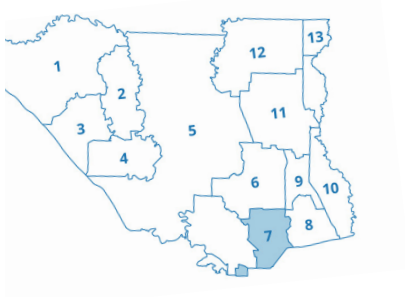

Map 20: Provision of fenced or unfenced off-leash areas within 1.5km walking distance

Map 21: Provision of fenced off-leash areas within 10 minutes' drive

Map 22: Proposed provision of off-leash areas within 1.5km walking distance

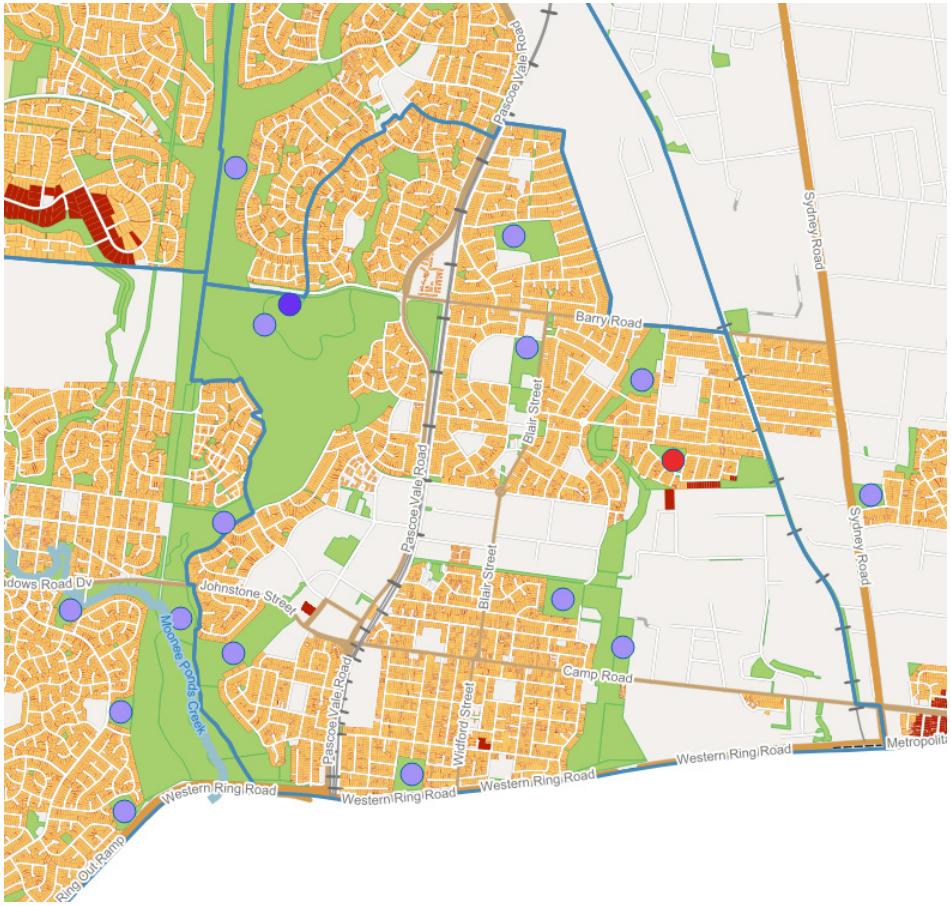

Legend

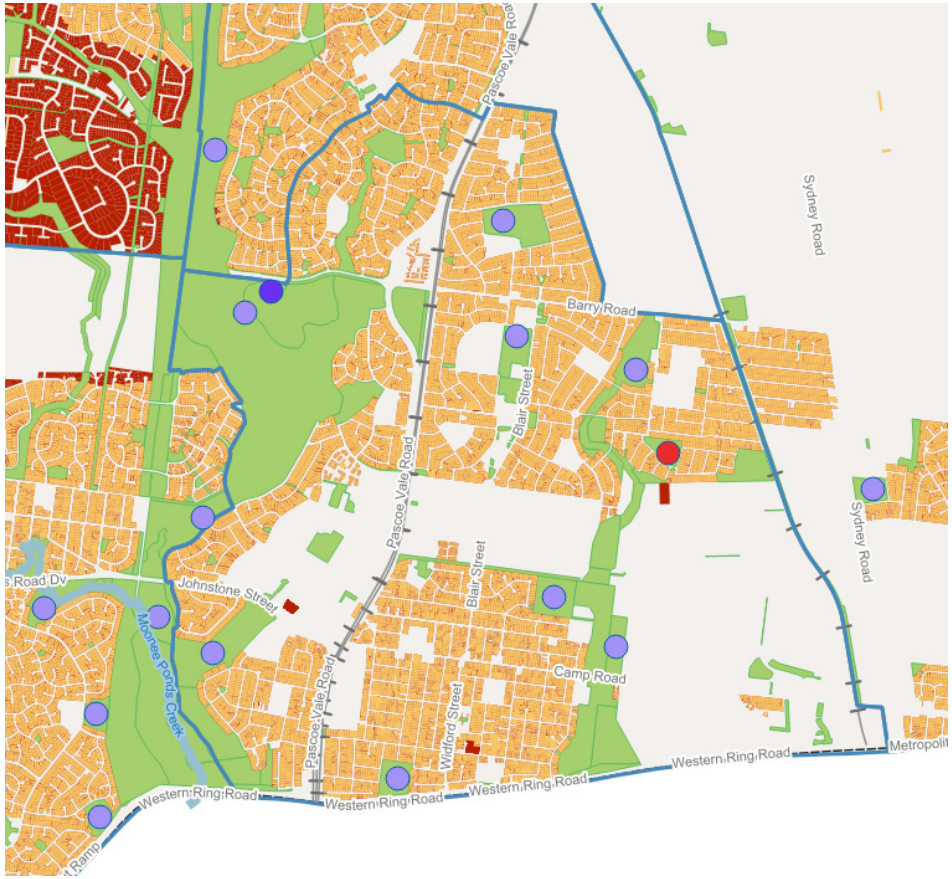

- Public Open Space
- Off-leash Area
- Fenced Off-leash Area
- Existing Dog Prohibited Area
- Residential areas well serviced for OLAs/FOLAs
- Residential areas beyond the target distance for OLAs/FOLAs
- Future urban growth areas

Spatial Analysis by Precinct

Precinct 8: Broadmeadows

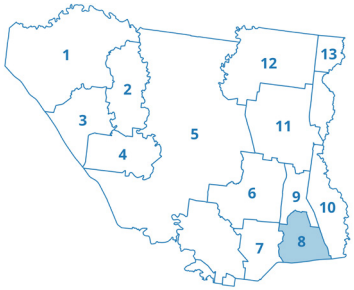

Map 23: Provision of fenced or unfenced off-leash areas within 1.5km walking distance

Map 24: Provision of fenced off-leash areas within 10 minutes' drive

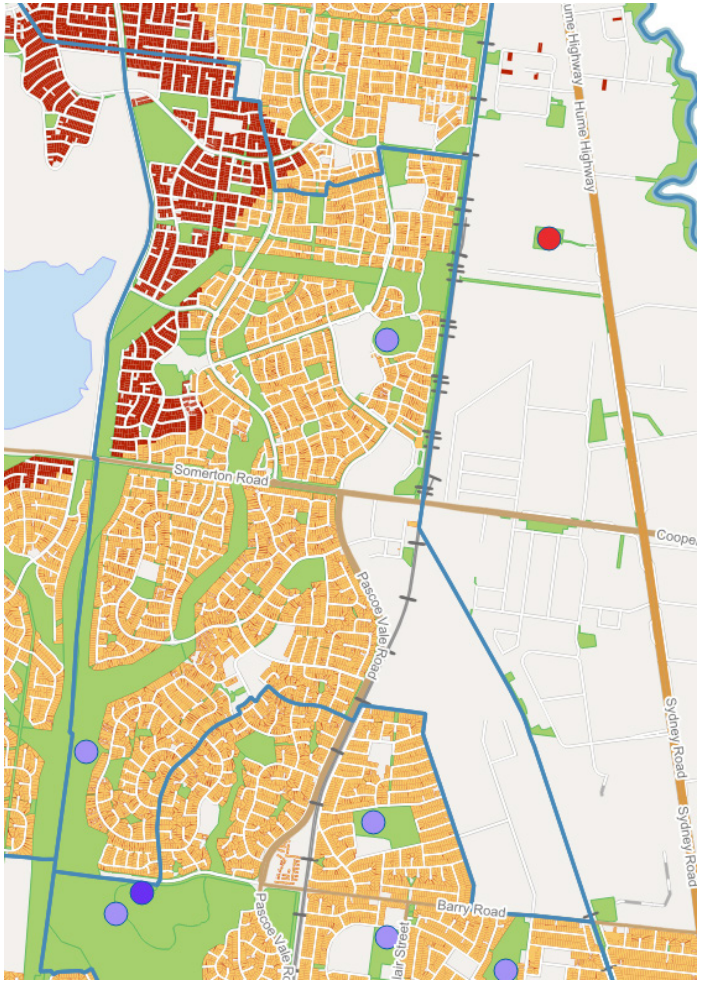

Legend

- Public Open Space
- Off-leash Area
- Fenced Off-leash Area
- Existing Dog Prohibited Area
- Residential areas well serviced for OLAs/FOLAs
- Residential areas beyond the target distance for OLAs/FOLAs
- Future urban growth areas

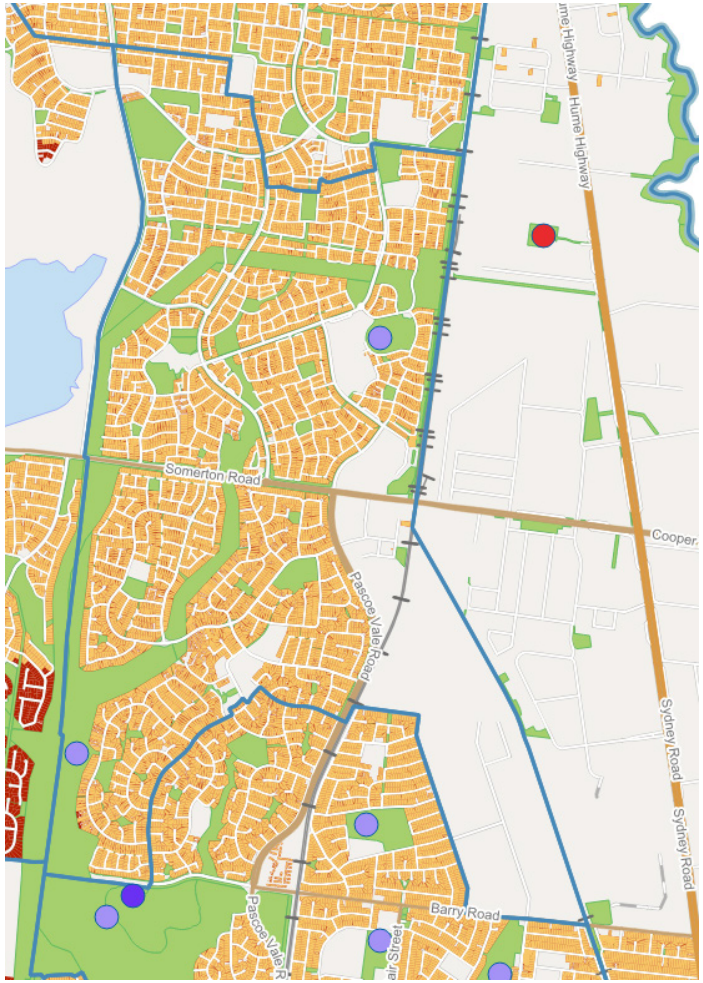

Map 25: Proposed provision of off-leash areas within 1.5km walking distance

Spatial Analysis by Precinct

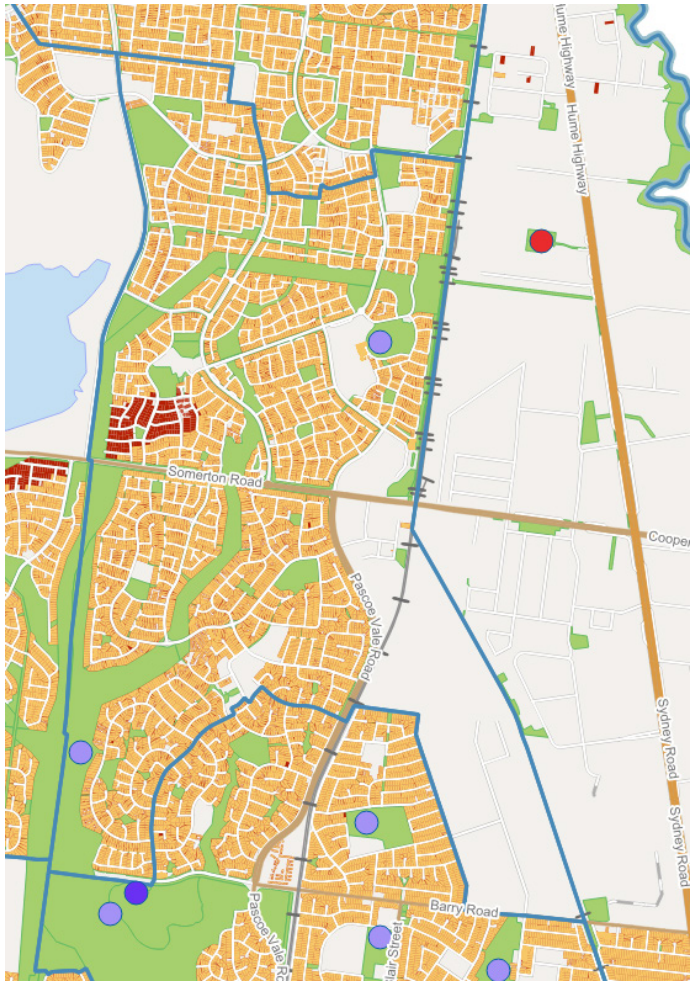

Precinct 9: Roxburgh Park

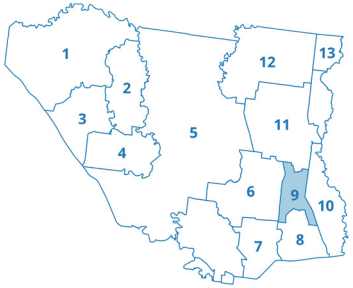

Map 26: Provision of fenced or unfenced off-leash areas within 1.5km walking distance

Map 27: Provision of fenced off-leash areas within 10 minutes' drive

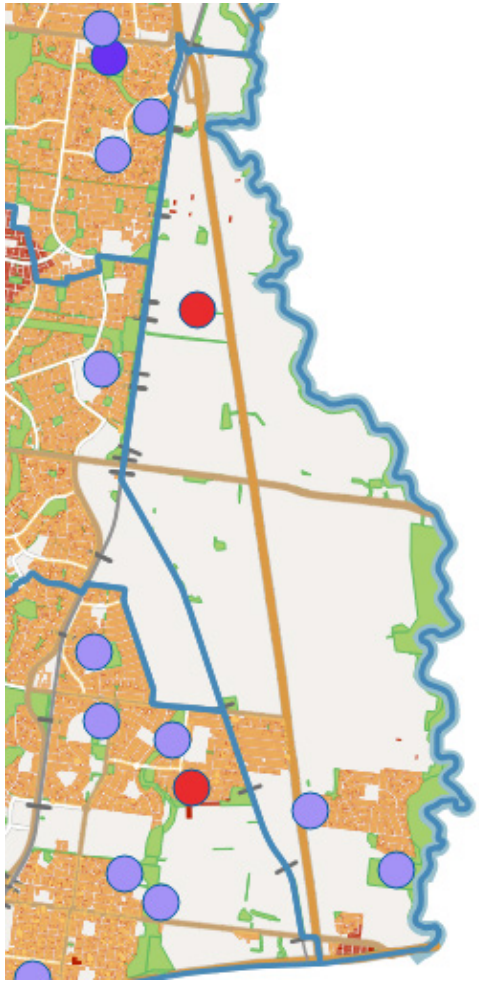

Legend

- Public Open Space
- Off-leash Area
- Fenced Off-leash Area
- Existing Dog Prohibited Area
- Residential areas well serviced for OLAs/FOLAs
- Residential areas beyond the target distance for OLAs/FOLAs
- Future urban growth areas

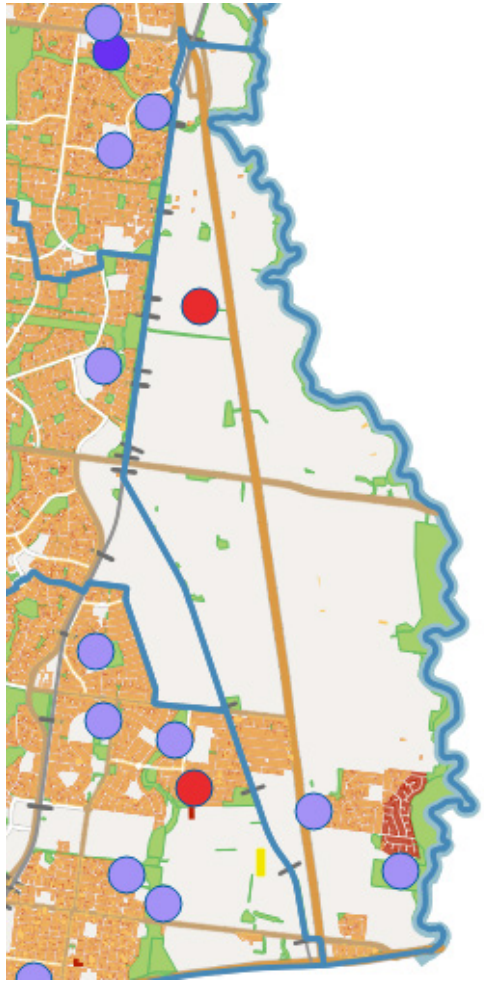

Map 28: Proposed provision of off-leash areas within 1.5km walking distance

Spatial Analysis by Precinct

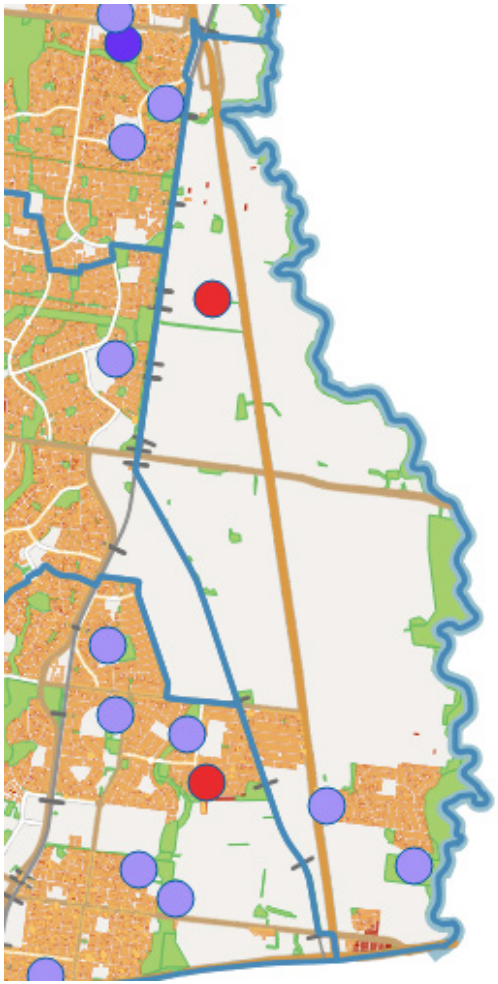

Precinct 10: Somerton

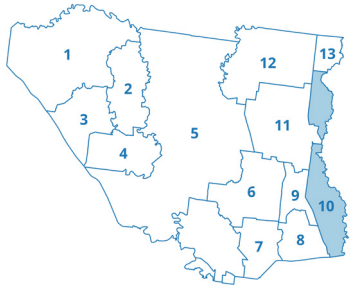

Map 29: Provision of fenced or unfenced off-leash areas within 1.5km walking distance

Map 30: Provision of fenced off-leash areas within 10 minutes' drive

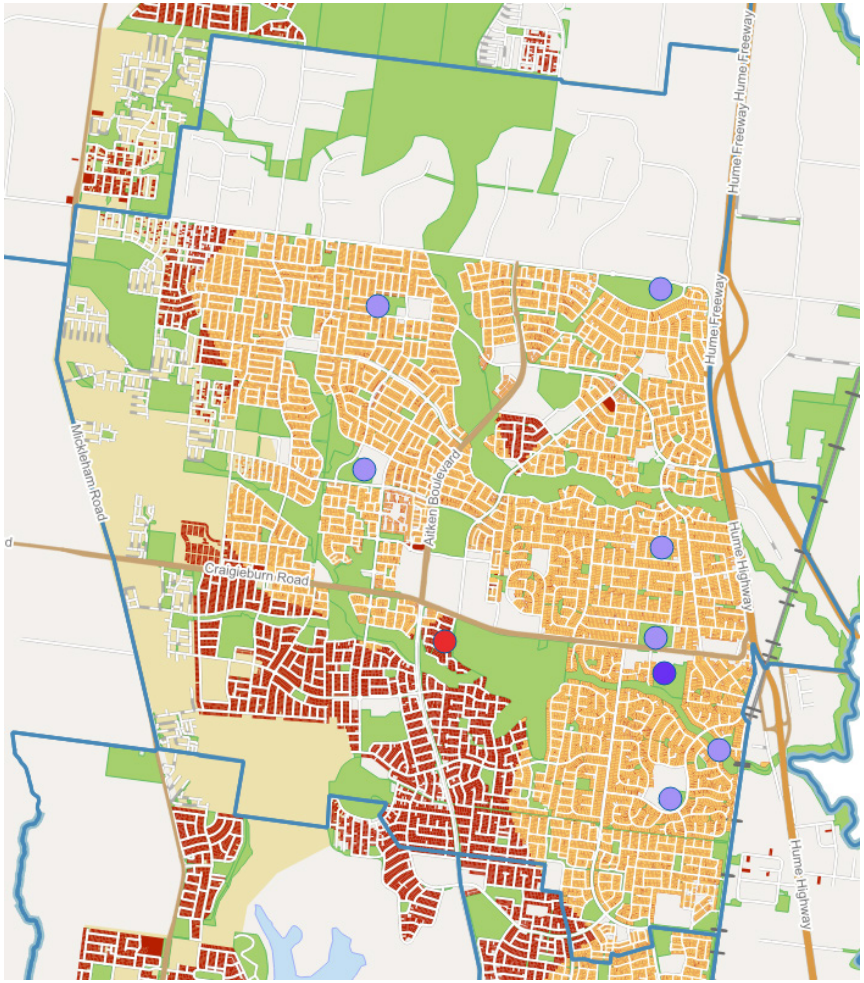

Legend

- Public Open Space
- Off-leash Area
- Fenced Off-leash Area
- Existing Dog Prohibited Area
- Residential areas well serviced for OLAs/FOLAs
- Residential areas beyond the target distance for OLAs/FOLAs
- Future urban growth areas

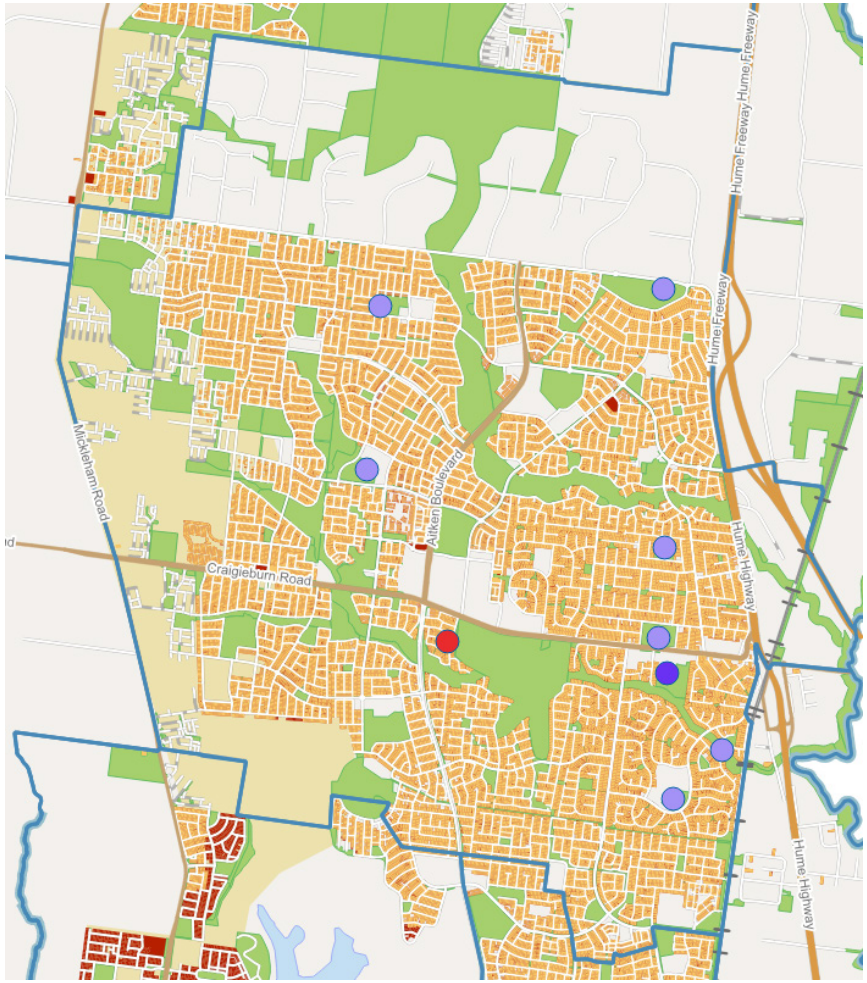

Map 31: Proposed provision of off-leash areas within 1.5km walking distance

Spatial Analysis by Precinct

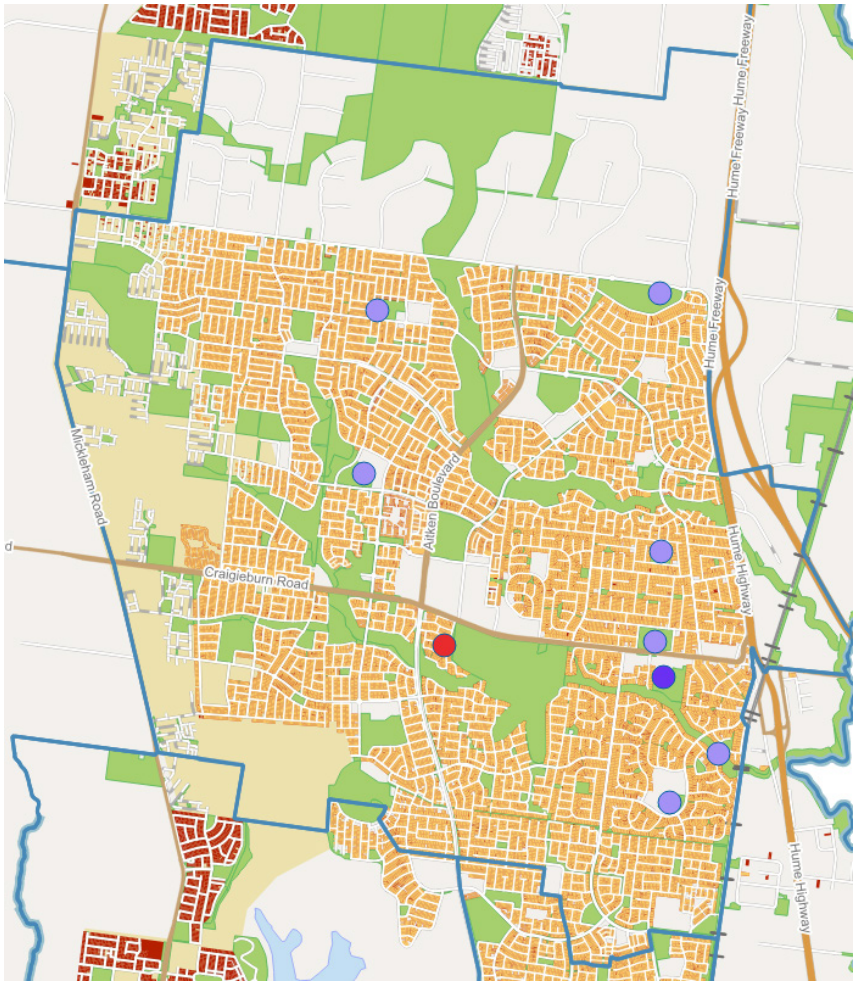

Precinct 11: Craigieburn

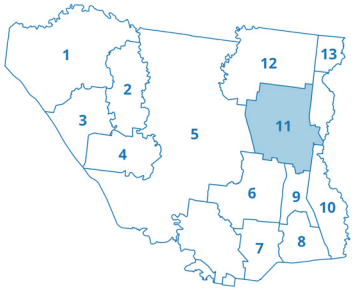

Map 32: Provision of fenced or unfenced off-leash areas within 1.5km walking distance

Map 33: Provision of fenced off-leash areas within 10 minutes' drive

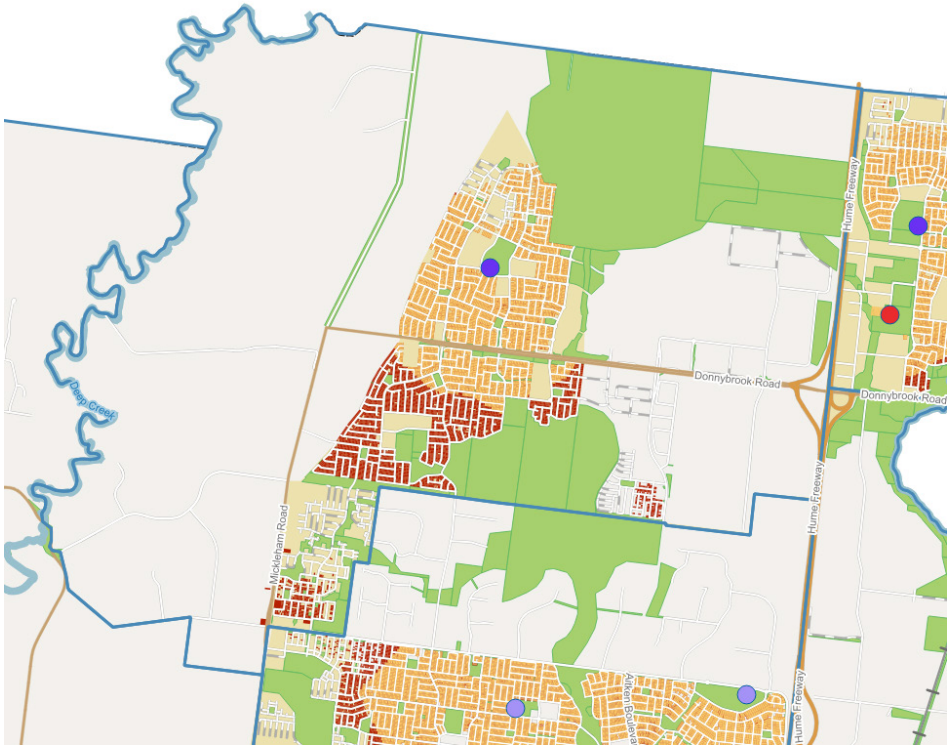

Legend

- Public Open Space
- Off-leash Area
- Fenced Off-leash Area
- Existing Dog Prohibited Area
- Residential areas well serviced for OLAs/FOLAs
- Residential areas beyond the target distance for OLAs/FOLAs
- Future urban growth areas

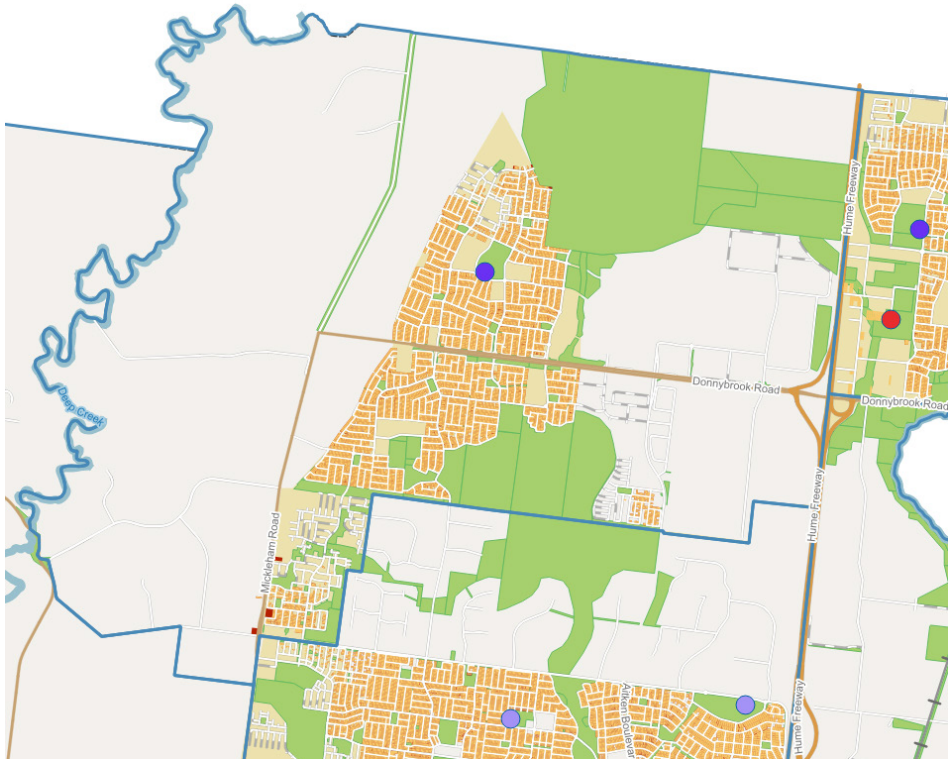

Map 34: Proposed provision of off-leash areas within 1.5km walking distance

Spatial Analysis by Precinct

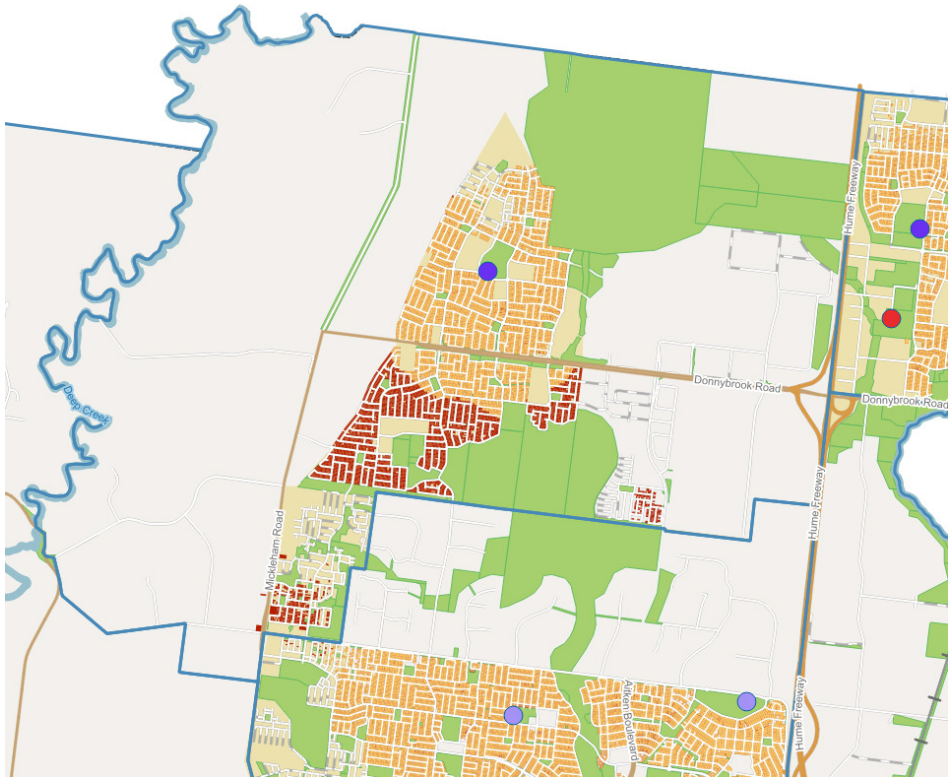

Precinct 12: Mickleham

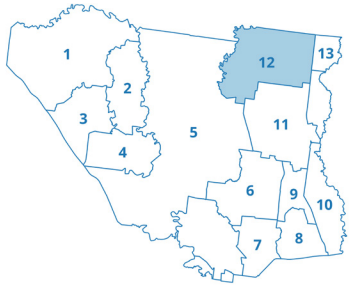

Map 35: Provision of fenced or unfenced off-leash areas within 1.5km walking distance

Map 36: Provision of fenced off-leash areas within 10 minutes' drive

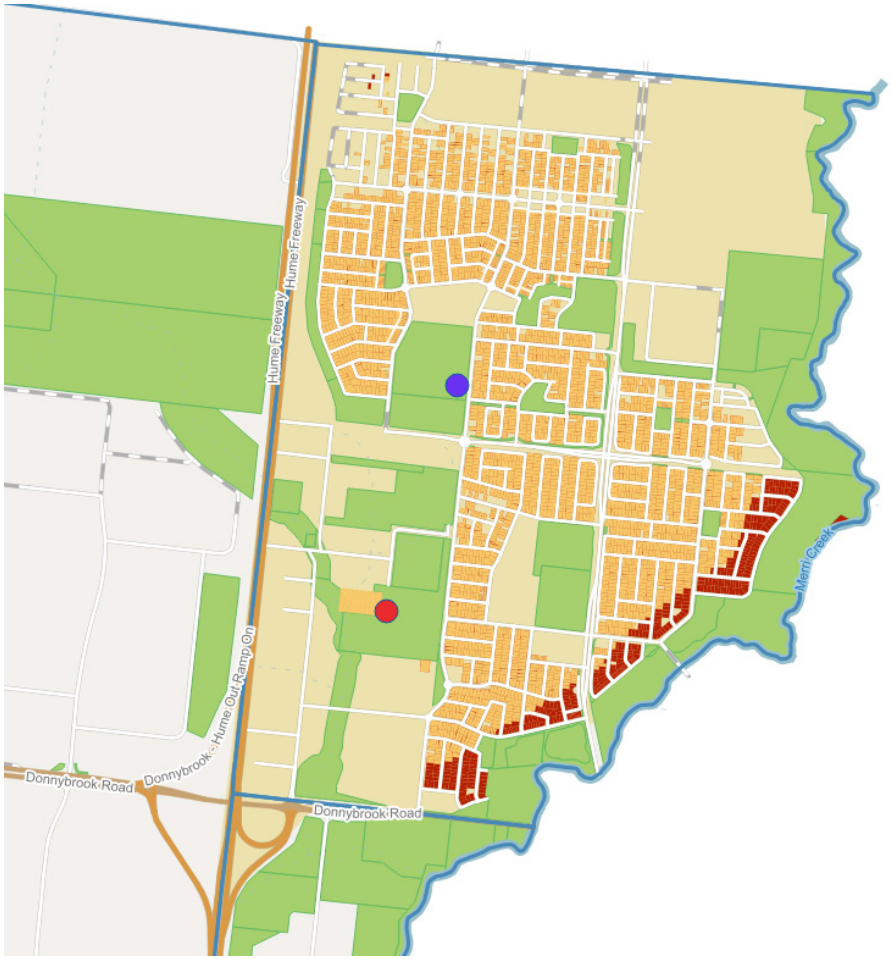

Legend

- Public Open Space
- Off-leash Area
- Fenced Off-leash Area
- Existing Dog Prohibited Area
- Residential areas well serviced for OLAs/FOLAs
- Residential areas beyond the target distance for OLAs/FOLAs
- Future urban growth areas

Map 37: Proposed provision of off-leash areas within 1.5km walking distance

Spatial Analysis by Precinct

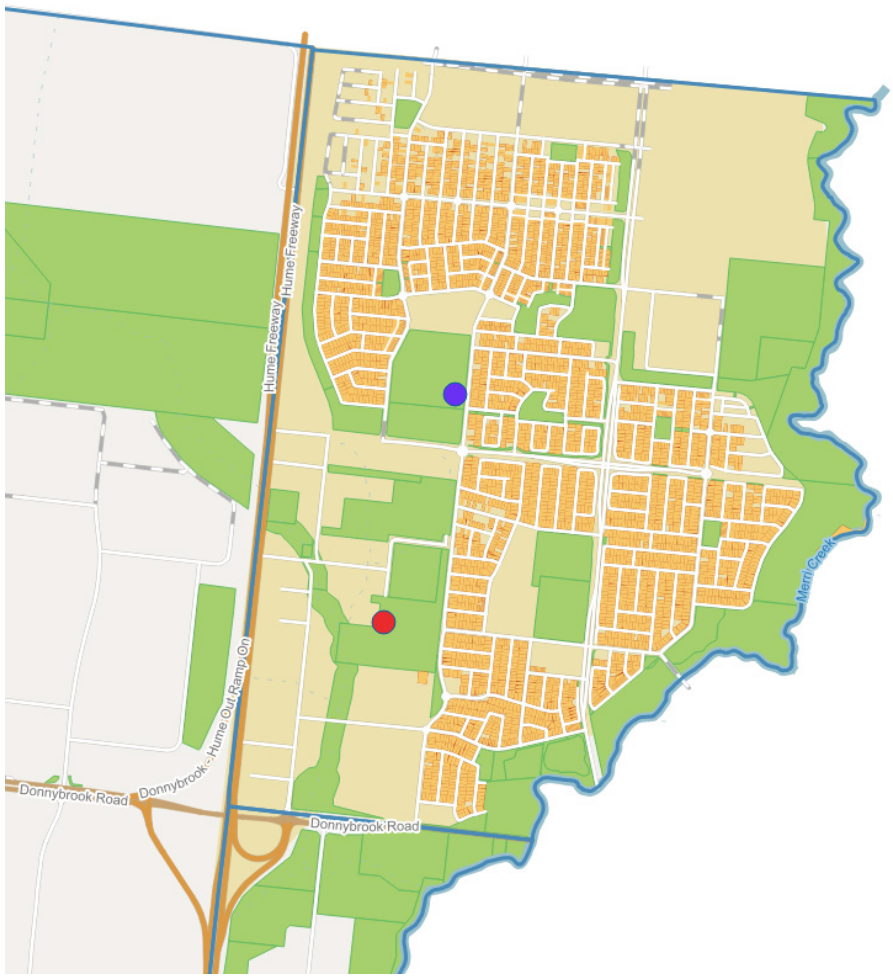

Precinct 13: Kalkallo

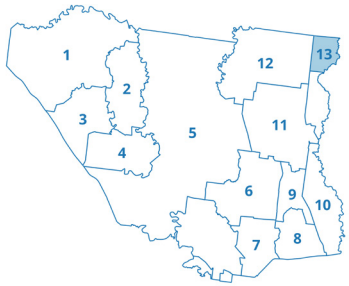

Map 38: Provision of fenced or unfenced off-leash areas within 1.5km walking distance

Map 39: Provision of fenced off-leash areas within 10 minutes' drive

Legend

- Public Open Space
- Off-leash Area
- Fenced Off-leash Area
- Existing Dog Prohibited Area
- Residential areas well serviced for OLAs/FOLAs
- Residential areas beyond the target distance for OLAs/FOLAs
- Future urban growth areas

Map 40: Proposed provision of off-leash areas within 1.5km walking distance
