

Tadstan Drive Reserve - Park Renewal

What the project is about:

We are undertaking renewal works at Tadstan Drive Reserve in Tullamarine. The improvements to the reserve will provide new play equipment, better path connections, and additional shade through tree planting and a shelter.

We are consulting on the concept plan, which proposes upgrades to the following equipment and park features:

- play unit
- seesaw
- spinner
- swings
- shelter
- park furniture
- improved path network
